Annual Education Plan 2022/23

Outcome Two: Primary School Curriculum

- Domain 2: Teaching & Leading

Alberta Education Assurance Measure (AEAM):

A4 Education Quality

- Students at your school are learning what they need to know.
- Students at your school clearly understand what they are expected to learn at school.

Links to CAIS Strategic Goals 2021/22 to 2025/26

- 1.1 - To provide an academically rigorous education where students faithfully cultivate their talents to love God and serve humanity.
- 3.1 - Ensure the curriculum is responsive in meeting the needs of students, is Christ-centered, and authentically infused with biblical truth.
- 3.4 - Introduce curricular and enrichment programs that meet the differentiated needs of our students and that empower them to realize their God-given potential.
- 3.5 - Develop a philosophy and policies for student assessment and reporting that align with the school's mission and core values.
- 4.1 - Anticipate future educational trends to ensure the campus is future-proof for school growth.

A: Data Analysis

1. Local Measures

Baseline data is the current status of our Primary School Curriculum. Implementation will begin during the 2022-2023 school year and will be examined towards the end of that academic year.

B: Stakeholder Feedback

1. None in 2021-22, as this is new initiative both provincially and locally.
2. Stakeholder feedback will be collected during the 2022-23 school year.

C: Strategies to Attain This Outcome

1. Primary Senior Leaders & Coach of Teaching & Learning will learn about the new Alberta curricula in K-6 Physical Education & Wellbeing, K-3 English Language Arts, & K-3 Mathematics.
2. Primary Senior Leaders & Coach of Teaching & Learning will prepare in-house PD training materials to help teachers in their understanding of the new curricula.
3. Primary Senior Leaders & Coach of Teaching & Learning will conduct multiple in-house PD training sessions to help teachers in their preparation to implement the new curriculum areas.
4. Primary Senior Leaders & Coach of Teaching & Learning will use PD resources from Alberta to assist teachers in their understanding of the new curricula and to assist them in ways of implementing them.
5. Subject area leaders in each grade level will meet to participate in unit planning sessions for the new curriculum areas (K-3 Math subject leaders, K-3 ELA subject leaders, K-6 PE & Wellness subject leaders).
6. Grade 3 to 6 Teachers will access & employ resources made available on the new LearnAlberta website that have been created by Alberta teachers specifically for these new curriculum areas.
